

TROPIC GOLD

STAINLESS STEEL CLEANER & POLISH

Product # 276

DESCRIPTION

Tropic Gold is the easiest way to keep all of your stainless steel and chrome finishes clean and shiny. One step application cleans, polishes and protects stainless steel without hard rubbing. It contains no harsh chemicals or solvents and has a pleasant citrus fragrance. Resists fingerprints, grease and water spatter. Helps preserve the factory finish.

For your surfaces: Tropic Gold removes dirt and grime, greasy film, water marks, it even covers scratches. Tropic Gold immediately forms a protective coating on any surface, repels water, prevents penetration of harmful liquids and retains its gloss indefinitely. Resists fingerprints and streaking. Preserves the surface against deterioration of all kinds!

Tropic Gold works on: Stainless Steel, Chrome, Aluminum, Brass, Formica, Fiberglass, Enamel, Plastic.
CONTINUED USE OF THIS PRODUCT PRODUCES A PROTECTIVE COATING THAT RESISTS RESOILING.

BENEFITS

- * ONE STEP cleaning, polishing and protection.
- * LEAVES a light, protective film that restores sheen.
- * REPELS dust and dirt.
- * RESISTS fingerprints, water spots and grease.
- * WORKS on any reflective metal finish.
- * PLEASANT citrus fragrance.
- * DOES NOT CONTAIN acid, silicon or any abrasive.

USAGE

Recommended for commercial, institutional, industrial and household use. For all types of stainless steel, elevators, ash trays, water fountains, sinks, stainless counter tops, dishwashers, refrigerators, freezers, etc.

DIRECTIONS

The Tropic Gold Process requires no rubbing or polishing. It's so easy and simple that it actually makes cleaning a pleasure with unbelievable results. A little Tropic Gold goes a LONG WAY!

Moisten a clean, soft cloth with Tropic Gold and apply, or spray lightly. Use sparingly, removing any excess with a dry cloth. No rubbing or polishing required. You will get great results with very little effort. In short, Tropic Gold will clean, polish and protect in one easy step! Use two cloths, one for applying and one for cleaning. The gloss is renewed and will be retained.

NOT TO BE USED ON COOKING UTENSILS, such as pots, pans, knives, forks and spoons.
